## About this book

This book is published by the Federal Subsistence Management Program as an informative summary and guide to annual Federal subsistence fishing regulations contained in the Code of Federal Regulations (36 CFR Part 242 and 50 CFR Part 100) and the Federal Register.

There may be errors or omissions not identified at press time, or changes made to the regulations after the book is printed. To be certain of current regulations, refer to the official Code of Federal Regulations and the Federal Register publications or contact the Office of Subsistence Management.

The regulations, except customary and traditional use determinations, may change at any time by special actions of the Federal Subsistence Board. Changes are published in the Federal Register and Board actions or major corrections to this book are posted on the Office of Subsistence Management website <http://alaska.fws.gov/asm/home.html>. In general, customary and traditional use determinations are made only through the biennial regulatory process.
